Projects: Scholarships for young people in secondary education, school library Dzoole-Village, community center Dzoole-village.
Objective: To ensure that a number of young people in Malawi can receive the best possible education. We strive to create facilities that promote good education.
The foundation believes in the power of children and young people. She wants disadvantaged children and young people to continue to develop this power so that they can change their own future and that of their environment. The projects of HELP Malawi Netherlands and everyone who participates in them contribute to ensuring an essential and sustainable difference.
The foundation works closely with Future4All, a local NGO.
Active in the region/village: Balaka district/Nanthombaschool and Ntcheu district/Dzoole village.

Kune Zuva

Name of the foundation: Kune Zuva
Address in the Netherlands: Tolstedijk 10 46815V Nieuw Vossemeer
Registration number Chamber of Commerce: 200,995,47
Bank account: IBAN NL89 INGB 000 5837915
Active since: 2000
Current Anbi status: yes
Current CBF status: no
Website: www.kunezuva.nl
Email address: info@kunezuva.nl
Contact person: Sylvia Brooljmans
Contact phone number: 0167-503186
Projects: Albinism - preschool education - schoolchildren - students
Objective: The goal of the Kune Zuva foundation is 'to make the sun shine by giving people opportunities in life'. Kune Zuva focuses on people in Africa, who are struggling due to circumstances. It is often possible for them, with some support, to make a big leap forward. Kune Zuva does this by optimally using the resources to set up, supervise and (co-)finance small-scale projects.
Active in the region/village: Benga

Agriculture and food supply

Tree of Life

Name of the foundation: Tree of Life Foundation
Address in the Netherlands: Boylestraat 34, 6718 XM Ede
Registration number Chamber of Commerce: 302 187 48
Bank account: NL80 RABO 0129 8284 59
Active since: 2006
Current Anbi status: Yes
Current CBF status: No
Website: <https://treeoflife.international/>
Email address: info@treeoflife.international
Contact person: Christian Slager / Hedwig van Dijkhuizen
Contact phone number: 06 300 539 52
Projects: giving training in sustainable (forest) agriculture
Objective: Working towards food security. To achieve this, we come by farmers. They receive (family-) training in sustainable agriculture, aiming for an increase in harvest by restoring soil life, among other things. This allows multiple crops to grow well. We work together with families to further develop them in the areas of finance, family, health and faith.
Active in the region/village: Kasinje, Malawi

Charity

Name of the foundation: The Art of Charity Foundation
Address in the Netherlands: PO Box 4182 7320 AD Apeldoorn

Projects: Tools & Skills, Kalemba Community Hospital, Urology
Objective: Structurally contribute to health care in Malawi, especially in the district and mission hospitals and especially in the field of surgery / urology. This is done by making basic tools, equipment available locally and especially by educating and training local people. As trainers / teachers, as many of their own people as possible, Malawians are engaged.
Active in: the district and mission hospitals throughout Malawi.

Zola Care Malawi

Name of the foundation: Zola Care Malawi Foundation
Address in the Netherlands: Vijverberg 2, 3911 JP Rhenen
Registration number Chamber of Commerce: 64812529
Bank account: NL 10 RABO 0129 4528 74
Active since: 2015
Current Anbi status: yes
Current CBF status: no
Website: www.zolacaremalawi.com
Email address: info@zolacaremalawi.com
Contact person: Mariska de Bruijn / Danielle Hoefstoot / Amber Groos
Contact phone number: 00316 3922752
Projects: Maternity hospital, children's physiotherapy, multidisciplinary center, mother-child care, mobile clinic, monthly medication costs.
Objective: Zola Care Malawi strives to work with the local population to provide quality health care, that is available to all. In addition to running a multidisciplinary center, in which children's physiotherapy is given, Zola Care Malawi has set up a mobile clinic, there are 'undernutrition programs', an ambulance is driving and medication and care is available at all times for people who cannot afford it. Our main project is currently setting up a maternity hospital, the construction of which has begun. The maternity hospital will offer the opportunity to guide women and their partner before, during and after pregnancy. By selecting risks and closely following the pregnant women, we expect to be able to reduce the mortality rate of both mother and child.
Active in: Lusangazi, North Malawi

Danielle, child physiotherapist
Mariska, neighborhood nurse
Amber, midwife
Mariska, clinical dietitian
Lisa, nurse
Femke, midwife
